Mission Statement

The Chartley Neighborhood Association promotes the health, safety, and welfare of the residents of the homes within the Chartley area, the general well-being of the community, and works to preserve Chartley as an attractive and safe neighborhood. It operates in coordination with other civic organizations to assist in educating residents about, and in the implementation of crime prevention programs, health initiatives, scholarship programs, cleanup campaigns, and other activities to maintain and improve properties within the community.

President's Message

Halloween is around the corner and so is our next General Membership meeting on 10/21. The meeting will be held at Trinity Lutheran Church on Main street from 7 – 8:30 pm. Our special guest will be from the Reisterstown Public Library, so please come out and show your support while also learning about the programs offered. Enjoy the cooler weather and take care of each other.

~ Scott Banks

Reisterstown Main Street

Reisterstown Main Street works hard to make our town the best in Baltimore County. We are a “designated” town in the Main Street Maryland program and “accredited” in the National Main Street program. Check out the

website <http://reisterstown.com> to see everything, including our Podcasts. Stacey Abbot interviews various property owners and business owners for the **Betcha Didn't Know?!** podcast. Bill Robinson along with Reid Conley are joining forces with the **ouR-Town** podcasts, and students from Franklin High School share school stories, community experiences, sports, arts and youth perspectives in the **FRANK-LY Speaking** podcast. These can be viewed from the website as well as your favorite podcast platform.

The **Community Business Meeting** is held each month on the 2nd Tuesday, 10 am at Reter's Crab House & Grille. Guest speakers are there each month informing us about their businesses. Come and join us to let your voice be heard with suggestions to make your town be welcoming to visitors.

(Reisterstown Main Street, Continued)

Salute to our Volunteers!! Volunteers work hard for our town on the first and second Saturdays of each month:

1st Saturday: **Main Street Clean Up Day** - meet at 9 am in the parking lot by Reter's. Gloves and a trash bag are provided to use while walking Main Street picking up trash.

2nd Saturday: **Franklin Woodland Trails** – meet at 9 am in the parking lot behind Reisterstown United Methodist Church to help others clear trails, pick up trash and make this Open Space trail system a gem for the community.

The town's **Welcome Center** at 234 Main Street is open Thursday through Saturday from 11 am – 2pm to meet visitors. Look through items donated in the Museum Room and see how our town was founded by John Reister more than 250 years ago.

The Studios at 234 are very busy with workshops. Stop by any Saturday from 11 am to 1 pm to watch the artists as they work on their crafts. There are a few scheduled dates that you may find interesting so check back on the website often.

Hobby Hangout is now being held every month on the 2nd Wednesday, 6 – 9 pm. You can bring your own project, or supplies will be provided for you to learn a new hobby.

Summer events were very successful, and planning is underway for the Fall.

The **Farmers' Market** was a great way to add fresh food to your table. You listened to the "Let's shop local and eat well in 2026!" comment as we exceeded our past years in terms of numbers of vendors and visitors, with one week having almost 700 visitors! Once again, we won the Maryland total votes with the national competition from the **American Farmland Trust**. Thanks to everyone who voted!

BOOtacular 2026 plans are underway. It will be held Saturday, October 24th from 10:30 – 12:30 pm, with plenty of fun activities and a costume contest. Mark your calendar and come join with friends and family.

~ Mary Molinaro

Dishes of Delicious

The Big Greek Café

10917 Boulevard Circle (a couple doors up from IHOP!), Owings Mills, 21117. Open 7 days, 11am – 9 pm.

Hello Chartley Folks! This month's DOD is all, or, largely about, just good, mouthwatering, and truly delicious food! My good friend and I had dinner recently at this Greek gem off Owings Mills Blvd, and we were both happier than we can describe! For those wanting authentic Greek food in an ultra-fancy setting, well, you'll have to settle for one out of two! It's a very comfortable, welcoming restaurant with about 7 or 8 tables, but it probably wouldn't be the main draw over on Eastern Avenue in Greek Town! As you walk in, you approach the counter, where a very nice young lady is ready with a smile to take your order (from all my experiences there). You place your order, pay, find a seat, and before long, your order is brought to you by yet another young smiling employee! I ordered Moussaka, which is a Greek and middle eastern dish consisting primarily of eggplant, ground beef and Bechamel sauce, and folks, believe me when I tell ya', it was heavenly! Equally good were the two sides I ordered with it – Greek Potatoes and Jasmine Rice. It was wonderful and plentiful, and I had to take a small portion of it home! The cost was about \$18.50, for the meal and two sides, or you may choose one side and a fountain drink. My friend was as happy as I was with his order of Spanakopita, string beans and tomato sauce and (I think) Orzo pasta with tomato sauce; the cost was about the same. Some of the other many choices on their menu includes Gyros, Falafel, Greek and Souvlaki pitas, pork and lamb chops, Pistachio (Greek lasagna), salmon, flounder, a "Hercules" burger (which looked awfully good!), as well as Baklava and cheesecakes for dessert, and of course fountain and bottled drinks. Their entire menu is online (though I didn't see prices, possibly I just didn't look in the right places!). They're open every day, and of course there's plenty of parking. Make the Big Greek Cafe a very near future stop, and if you get that marvelous looking Hercules burger, report back! Enjoy, and Happy Eating!

~ Buddy Asher

CNA 2026 Calendar of Events

Project	Location	Date	Time
Fall General Meeting	Trinity Lutheran Church	Wednesday, October 21	7:00 to 8:30 pm
Bootacular		Saturday, October 24	

CNA Executive Board Meetings are being held on the second Tuesday of each month (except December) at the RIA Welcome Center, 234 Main St., 700–8:30 pm. All are welcome to participate.

New Tree Maintenance

Over the past four years the Chartley Neighborhood Association used grants from the Chesapeake Bay Trust along with a Baltimore County planting program to plant and maintain over 200 trees throughout Chartley. Trees improve the aesthetics of the neighborhood, provide shade and a natural wildlife habitat, and improve the environment. Tree-lined streets are pleasant to drive through and can increase the property value of the homes.

At this point in the process, the maintenance provided by the county and local landscaper has ended. That responsibility now falls to the homeowners. There are some trees that still have support stakes. Those will be removed by the landscaper. He advises that the metal or plastic fencing around the tree trunks remain as a protection from the resident deer population, particularly since rutting season has begun.

The following items that should be done to keep the trees healthy and looking their best:

- Annual mulching once a year, which includes edging the tree ring, weeding, removing old mulch, applying emergent herbicide and adding new mulch. For uniformity, use a dark color.
- Watering trees in the drier months of June, July and August, as needed.
- Eventually removing the fencing tree guard or expanding it so it doesn't limit the tree growth or grow into the fencing long-term.
- Monthly weeding of the tree ring to provide a clean look and to avoid excessive weeds around the tree.

The work of all those who participated in the project is greatly appreciated as is the continued effort of the

homeowners to care for the trees they received which helps the entire neighborhood.

~ Joe Kirby

Crime in Chartley

It's September already! What happened to the summer? Now the days are getting shorter, the weather is cooling down, and it won't be long before that white, slippery stuff will be covering the streets and lawns. Bah Humbug! Let's hope that our crime rate will also do some cooling down as the winter season approaches, although September wasn't as bad as some months have been this year. Chartley residents reported five crimes during September which brings our year-to-date total to 41 as compared to 21 for same period last year...essentially, we have had twice as many crimes so far this year as we had for the same time last year – we need to tighten down now!

The five crimes that were reported during September were one theft of a vehicle, three non-domestic assaults, and one report of vandalism (destruction of property). The theft of a vehicle was reported on September 11th in the 200 block of Homevale Road. The three non-domestic assaults were reported on September 12th, 13th, and 14th respectively, in the 200 block of Walgrove Rd, the 600 block of Shirley Manor Rd, and the 400 block of Shirley Manor Rd, respectively. The vandalism report was received on September 1st in the 600 block of Sacred Heart Lane.

Two of the non-domestic assaults reported during September appear to have been potentially serious. The September 12th report (200 block of Walgrove) indicated a fight in progress. The September 13th

(Continued on page 5)

(Crime in Chartley, Continued)

report (600 block of Shirley Manor Rd) indicated a threat in progress with a weapon involved. While the police cannot release any additional information due to privacy requirements, we certainly want to thank the residents who called 911 to report on these situations. In each case, they may have prevented an injury, or worse.

Now that fall is here, daylight hours are getting shorter and shorter. While the weather remains good, the “bad guys” will be out on our streets longer and longer, trying to see if they can catch someone off guard to take advantage of them. As fall advances, residents tend to hibernate inside their home after dark. Please make it a habit to check outside your home periodically before your bedtime, and always check outside if you hear something “go bump” anytime during the night. If you see something suspicious or questionable, call 911 immediately and report it. **Let the police check it out! Make that call! Don’t hesitate!**

Please bear with me for a moment and let me repeat myself from last month’s Crime in Chartley article. **Chartley is our home. It is time for all of us residents to make sure that our home remains a safe and pleasant place to live.** We can do this simply by always being alert to our surroundings, both at home and when we are out and about anywhere. That includes when we take a walk, go to the store, take a drive, or go anywhere. When you are out and about, it’s important that if you see something that is suspicious or even just appears out of the ordinary, call 911 to report it. **If in doubt, let the police check it out. That is precisely what they are asking us to do.**

Please remember that if you don’t call 911, there will not be a police response... no response...no police follow up to prevent further crimes...MAKE THAT CALL, EACH TIME, EVERY TIME. You can always call anonymously if you prefer!

And let’s all make it a habit to adopt the Crime Prevention tips below as part of our daily routines. Doing so will be a big help in driving crime out of Chartley.

- **Lock it up, each time, every time.**
- **Keep the outside of your house illuminated after dark.**
- **Remove or cut back overgrown shrubs, plants, and trees that obscure windows and doorways.**
- **Strongly consider the installation of home security cameras around your property.**
- **Never leave your vehicle running unattended.**
- **Never leave valuables in your vehicles.**
- **Never leave the keys to any property inside your vehicle.**
- **Look outside if you hear noises at night and report anything that looks unusual or suspicious.**
- **Be aware of your surroundings wherever you are, particularly when you are outside or shopping after dark.**
- **NEVER, EVER, FOR ANY REASON, GIVE ANY PERSONAL INFORMATION WHATSOEVER TO ANYONE UNTIL YOU HAVE VERIFIED THE SOURCE FIRST**
- **If in doubt, let the police check it out!**
- **If you see something, say something! Call 911 each time, every time.**

~ Dave Powers

CNA Participates in the Reisterstown Festival Parade!

Renew Your CNA Dues!

Our Membership Drive for 2026-2027 has launched and we now have more than 100 member homes. However, with 790 homes in our neighborhood we have many still to join or renew. Please renew now if your address does not appear in the list below. This gives us a stronger voice as we represent your interests with the county and state!

Membership

We are off to a great start but need everyone to join as a member to make sure our voice is heard by our County and State Representatives. For just \$10 (less than the cost of a pizza), you can be that help.

The following list shows the addresses that are paid in full for the 2026-2027 fiscal year. This includes those who sent in membership checks early and those who have paid for multiple years that include the current year. If you believe you have paid for the new membership year and your house number does not appear on the following list, it may be that the payment you made was for a previous year. If you are not on the list and think that you should be on it, contact our Membership Chairperson, **Betsy Sloan** at **410-833-5523**, so that we can verify your membership and, if necessary, update our membership records.

Of course, you can always complete the **Membership Application in this issue** and mail it along with your check to the Association PO box. Also, you can securely pay on our website <https://chartleyneighborhood.org> and clicking the "Become a Member!" link with your credit card. You will have the opportunity to pay for both the current year (2026-2027) and the next fiscal year (2027-2028).

Useful Phone Numbers

1. County Drain Cleanout

410-887-7415

Use this service if your toilets are gurgling when flushed. The County usually comes the day you call and cleans from your yard out to the street. This should be a yearly call.

2. County Trees

410-887-3560

If you feel the tree between your sidewalk and the street is dead or dying or even tearing up the sidewalk, a county arborist will come assess your tree to see if it is too healthy to be cut down by them or in need of removing. This service may take a while and may have a nominal cost of \$25.00 or even be free of charge. Because tree removal is otherwise so expensive, this is worth the effort if the county will remove your tree for practically nothing.

3. Water leaking in your street?

443-263-2220

This is the number for Baltimore County Public Works. Inspectors will eventually come to the site and place a work order. Then a work crew will show up to complete the repair and another crew will show up and patch the road. This may take time because there are multiple agencies involved, so be patient, but it is important to stop these water leaks that seem to be happening more often in Chartley. Save the water!

~Jane Hienz
