President's Message

It's been another fantastic year in Chartley. With winter approaching, please don't forget to winterize your house by disconnecting hoses, bringing in your favorite plants, and taking care of your outdoor areas. I have received many complaints about speeding, so if you have teenagers or folks in your house with a lead foot, please encourage them to go slower in our community. As an association, we are always looking for new members to help with our volunteer efforts to influence local elected officials to prioritize our community with different interventions. If you'd like to increase services or get more involved in the local efforts to improve our community, please reach out to see how you can help. We will be having elections at our next general meeting in April and will need a new president to be nominated!

~ Scott Banks, CNA President

Crime in Chartley

Crime hit very close to home in October as "yours truly" became a victim of a hit and run driver on October 13th at 6:35 pm at the corner of Glyndon Drive and Gwynnwest Road while on my way to a CNA board meeting. I mention this only to emphasize that crime can hit anywhere at any time, and we must always prepare for it. Previous statistics indicate that we had at least one hit and run incident each year for the past few years, but none prior to that. The primary locations involved over the years have been the intersections of Sacred Heart Lane & Glyndon Drive, Shirley Manor Road & Glyndon Drive, and Gwynnwest Road & Glyndon Drive. I have also seen people at Sacred Heart Lane and Glyndon Drive blow through the 4-way stop signs there fairly frequently. Almost daily, I see people only come to a "rolling stop" at intersections. As a reminder, State Law requires a **complete stop** at all stop signs. I was fortunate and wasn't hurt. Stay Safe!

Chartley residents reported 4 other crimes (total of 5) bringing our year-to-date total to 46 as compared to 24 for the same period last year. The other 4 crimes reported were a theft on Oct 10th at 7:03 pm in the 200 block of Walgrove Rd, a home burglary on October 14th at 8:40 pm in the 200 block of Bond Ave, a non-domestic assault on October 27th at 8:30 am in the 200 block of Bentley Hill Rd, and a domestic assault on October 27th at 5:04 pm in the 200 block of Arms Chapel Rd.

The spooks, witches, and goblins were out and about on Halloween night and so were your COP volunteers. My sincere thanks to Zack Roberts,

Collette Cook, and Ernie Schmidhauser for helping to put a visible presence of our COP Program on our streets that night to ensure that our children could trick-or-treat in safety. All of us noticed sporadic groups of kids, both the younger ones and well as teenagers, enjoying themselves that night, particularly on Chartley Drive, Glyndon Drive, Janet Road, and Northway Road. We are glad to report that everyone seemed to enjoy themselves and no problems were noted. I have received several "thanks" from some of our residents for CNA's efforts to keep our kids safe and to help maintain our community as a clean, safe, and pleasant place to live. That's what CNA is all about!!

At the Police Community Relations Council (PCRC) Meeting Oct 20th, the new Precinct Commander, Captain Chris Morgan, was introduced to the PCRC (see his bio at Baltimore Country Precinct 3 link Precinct 3—Franklin | Baltimore County Government). Captain Morgan said that crimes are down compared to last year, particularly violent crimes (e.g., serious assaults down 6%). However, robberies are up, and the theft of Hyundai and Kia vehicles is still unacceptable. Analysis of theft-from-vehicle stats indicate that 90% of these thefts are from UNLOCKED vehicles. A new MAJOR concern is air bag thefts which seem to be focused on thefts from Honda vehicles. In early October, 2 juveniles were robbed at the Metro Station by 2 other juveniles, and the suspects were arrested. Recent home invasion/robberies on Long Lake Drive appear to have been targeted incidents. In early October there was also a non-fatal gun discharge on Main Brook Ct (ChartleyTowne Town Houses and Apartments) that appears to have been accidental, but the police are still investigating. Captain Morgan said that the police are "ramping up for holiday season." The next **PCRC meeting is on Tuesday Dec 15th at 7 pm** at the Village of Timbergrove Clubhouse at 425 E Cherry Hill Rd.

As the Holiday Season starts, our focus will be on family; making our homes safe and secure will certainly be an afterthought, if that. So, let's start the season off by making sure NOW that **our home remains a safe and pleasant place to live.** Always be alert to our surroundings, both at home and out and about. That includes when we take a walk, go to the store, take a drive, or go anywhere. If you see something suspicious or out of the ordinary, call 911 to report it. **If in doubt, let the police check it out.** That is precisely what they are asking us to do. Please remember that if you don't call 911, there will not be a police response… no response…no police follow up to prevent further crimes…**MAKE THAT CALL, EACH TIME, EVERY TIME. You can always call anonymously if you prefer!**

In addition to the Crime Prevention Tips below, when you are out shopping during the Holiday Season, try to do your shopping with a friend, particularly after dark. Never leave valuables or wrapped presents in your car where they can be seen. Try to park in a well-lit area and avoid parking beside a larger vehicle. Let's all make it a habit to adopt the below tried and true Crime Prevention Tips as part of our daily routines. Doing so will be a big help in driving crime out of Chartley as well as promoting a happy and safe Holiday Season for all.

- **Lock it up, each time, every time.**
- **Keep the outside of your house illuminated after dark.**
- **Strongly consider the installation of home security cameras around your property.**
- **Never leave your vehicle running unattended.**
- **Never leave valuables in your vehicles.**
- **Never leave the keys to any property inside your vehicle.**
- **Be aware of your surroundings wherever you are, particularly when you are outside or shopping after dark.**
- **NEVER, EVER, FOR ANY REASON, GIVE ANY PERSONAL INFORMATION WHATSOEVER TO ANYONE UNTIL YOU HAVE VERIFIED THE SOURCE FIRST**
- **If in doubt, let the police check it out!**
- **If you see something, say something! Call 911 each time, every time.**
- **Remember that if you don't call 911, there will not be a police response… no response…no police follow up to prevent further crimes…MAKE THAT CALL, EACH TIME,**

EVERY TIME. And call 911 even if you do make a mistake and the criminals take advantage of you. Never be too embarrassed to make that call. You could be helping someone else by allowing the police to start closing the ring on the criminals. MAKE THAT CALL! You can always call anonymously if you prefer!

Forbidden City

250 Englar Rd., Westminster 21157. Phone:410-876-8988.

Open M – Thu: 11 am – 10 pm; Fri – Sat: 11 am – 11 pm; Sun: 12 pm – 10 pm.

Hello wonderful Chartley Folks! It has admittedly been several years since I've been in this magnificent-in-every-way Chinese restaurant! When Tina and I were trying to decide where to have our anniversary dinner, we narrowed it down to Westminster, since we had shopping to do in the Walmart there. Rather quickly we decided to cross 140 to the other side of Englar Rd and for the first time in a long time go to Forbidden City – talk about a very wise decision! It is clean, friendly and welcoming from the moment you walk in! Jimmy, a most friendly fellow, took us to our table, and shortly after, "Dia" (DEE-yuh) greeted us with water, noodles, and a big friendly smile! Their menu is extensive, anything and everything Chinese-wise, you could want is there! I ordered the General Tso's chicken combination platter, which came with fried rice, choice of soup and an eggroll, for $20, which is the epitome of reasonable for what you get! I asked that the soup and eggroll be put in to-go containers, which she was happy to do, since I was going to focus only on the chicken and noodles. Folks, even limiting myself to those two items (DELICIOUS by the way!), I was still only able to finish perhaps 2/3 of it. Skimpy is not in their vocabulary! One warning – the sauce in this dish, while not "burning hot", is rather spicy, so make sure this is OK with your tongue before ordering! It was among the best General Tso's chicken and rice I've ever had, and I'm a bit of a General Tso's chicken snob! Tina ordered, if I'm spelling this correctly, Moo Shu Vegetables; the cost was $15, and she loved it. It came with little pancakes, like soft tacos, with which you can make sandwiches. A few of their many choices are appetizers such as eggrolls, meat dumplings, crab meat wonton, and barbeque spareribs. Entrees include pork, beef, chicken, vegetable, tofu and seafood, as well as soups and a list of both lunch and dinner specials. Their entire menu is available on-line. Jimmy, Dia, and one other employee we spoke to just couldn't have been friendlier and did a wonderful job of making our experience very pleasant. Just 25 minutes north on 140 from Main Street and Chartley Drive, it is indeed a very worthwhile drive! Try it soon, and happy eating!

CNA Annual Crab Feast

Thanks to all who attended and helped make CNA's annual Crab Feast a night to remember! The October 10th event, called a "Crab Feast for a Cause", was both a financial and social success.

Eighty-three people enjoyed eating the perfectly seasoned Maryland delicacy (steamed crabs) prepared by Reter's Crab House & Grille. Attendees lined up early to enjoy a traditional evening of outstanding food and great conversation (**see pictures on page 5**).

The CNA Crab Feast 2026 exceeded the goal of raising money to fund two CNA scholarships for worthy Chartley senior high students while being a memorable night out for all attendees.

Code Enforcement Sweep Completed

Baltimore County Code Enforcement completed their sweep of the Chartley neighborhood at the end of September. They found sixteen violations that required corrective action. They included untagged or inoperable vehicles on the property, improper storage of trash, and overly tall grass.

Chartley relies on residents to follow the county codes that are designed for the safety and appearance of the community, and for providing a healthy and pleasant living environment. We would like to thank everyone for adhering to the codes which keeps Chartley a desirable place to live.
